

## Words From Our Cantor Barry Butensky

Dear Friends,

No matter the noisy confusions and uncertainties assaulting us from many directions, I share with you- and hope you partake of- the tremendous joyous excitement inherent in this time of year, as we prepare to embark on this New Year 5783 ahead, filled with promise and hope.

We have been through some two plus years of very difficult challenges, overwhelming, and and encumbering us in ways we hadn't imagined possible. And now, as Rosh Hashanah and this holy day seasons upon us, we have the opportunity to embrace this blessed and most welcome moment, giving us the opportunity, to take the fresh breath of aNew Year.

As we do, let us not forget the purpose os synagogue and of prayer:their purpose is not to amplify the negative but rather to refocus our energies, our time, our minds and souls the important things in life- family, friends, community, our people, etc. We have plenty to treasure- focus on those.

That is what these holidays are about- to see, breathe, and understand clearly, to translate this clarity into sacred action, to make our lives good, and to make ourselves better people.

lisa, Kugel and I extend our best wishes to you for a vey good meaningful, holy and happy 5783

Bivracha,  
Cantor Barry Butensky

## President's Message

### Peter Simenauer

With the High Holidays upon us, I am reflecting upon this past year at our temple. 5983 brought us time to reflect on where we have been and where we want to go. Without the many volunteers that have kept us moving forward, we would not be in the positive position we are in right now.

Many, MANY thanks to Helene and Jorge for their planning, hard work and positive influence. Without them, who knows where we would be today! Marc and Marlene with Helene's planning held together our religious services. The beautiful voices of the TBS Trio: Wendy, Peri and Janice made many of our services as special as they have always been. Stuart and Belle have become a "trade name" for us with the Federation in organizing and getting donations for our Food Drives. Nate, Marty and Jorge have done a wonderful job maintaining and improving our property. Marsha has provided weekly Zoom support for our services, without fail. Holly has provided Saturday night at the Movies as well as our weekly Jewish explorations each Wednesday evening through Zoom. Robin, Arlene & Stephanie and many of the other members made sure that each week we had an oneg. Lynn and George Lauther have brought us delicious meals as well as much support whenever needed. Stephanie and Maxine have been there to lend a hand whenever needed. Rheta has kept the calendar for us and all of the board members have worked hard and hung in there! I know there are many others that have provided their help and support to keep us moving forward and I thank you all for your help and support.

We are so very happy to be entering the new year, 5873, with Cantor Barry and his lovely wife Ilisa leading us in our religious, spiritual and social life. It is amazing that in such a short time, they have endeared themselves to us and have quickly become members of our mishpacha!

I am wishing you all a year filled with everything good and sweet!

With much love - L'Shana Tova

## Vice-President's Message Stuart Berman

For health reasons I made the decision to step down as Second Vice President. I wish George Laufer the very best in assuming the role.

While I have officially not served in this position for very long there is a long list of temple members who were there behind the scenes. Without their support I would not be able to do the things I do.

For fear of leaving someone out, I'M JUST GOING TO SAY THANK YOU. YOU KNOW WHO YOU ARE AND I TRULY APPRECIATE YOUR SUPPORT.

For every hundred bags of food that is packaged for the Federation Food Bank to distribute to those families in need in our community it takes several car loads of food to be delivered to the Federation. That translates to over 125 cases of food and personal hygiene items.

While another organization provides the funding, it is the Temple Beth Shalom family that makes sure everything that is needed is delivered to the Federation. This Rosh Hashanah is no exception. Please remember to pick up your bags when leaving temple after Rosh Hashanah and returning them full at Yom Kipper.

Together we will be doing a mitzvot in helping our community.

I would like to take this opportunity to welcome Cantor Barry and his lovely wife to Temple Beth Shalom. It is a pleasure to have you as our spiritual leader.

Please remember to remember our first responders, police, fire and all those who cannot be with their families during the high holidays.

Wishing you all a very happy, healthy and safe 5783.

Stuart Berman

## Vice -President's Message Jorge Glocer

As the High Holidays approach, this is a good time to share the warm feeling of progress at Temple Beth Shalom, and to thank all the dedicated volunteers that make it all happen.

The Social Hall is being improved, It now features new and attractive ceiling fans, new chandeliers, and recessed lighting with higher energy efficiency to help save on the electric bill as well.

These continuing improvements will make our social hall more attractive for the enjoyment of onegs and other regular and special events, to celebrate b'nei-mitzvot and other life-cycle events, and as a nice venue for fund raisers.

Improvements are also being made to enjoy a better sound both at the sanctuary and for the Zoom participants, so we can all better enjoy the beautiful Choir and all Bimah events.

One of the two air conditioners at the Social Hall was beyond repair after 35 faithful years of service, for which we are grateful. It has been replaced with a new, higher efficiency unit which will also help save on the electric bill.

We should hear in the next few weeks if TBS is one of the awardees for the DHS/FEMA grant for safety and security improvements of houses of worship that we applied for in May.

A big thank you to Cantor Barry and to all the volunteers that make this progress happen. And for those of you who wish to volunteer in any capacity please contact Peter, Helene or Stephanie. Your help is needed and much appreciated.

All the best for these High Holidays and always.
